

First Announcement

ACPSWZ 2025

56th ANNUAL CONFERENCE OF PSYCHIATRIC SOCIETY OF WESTERN ZONE

Hosted by

PSYCHIATRIC SOCIETY NAGPUR

**10, 11, 12th
OCTOBER 2025**

**HOTEL CENTRE POINT
Ramdaspath, Nagpur**

President's Message

Dear colleagues,

Warm greetings! It's a great pleasure and privilege to invite you all to Nagpur this October for the annual conference of our zone. Nagpur, well known for its oranges, the nearby tiger sanctuaries, it's Maratha history and monuments, famous temples, lakes and Deekshabhoomi, will be a wonderful place for you to visit. Being the exact center of the country, with a famous 'Zero Mile' located in the middle, as you all know, it is very convenient to access.

Our zonal conferences, thus far, are known for their high academic standards and the wonderful opportunity for fellowship they offer. This year is no different. The theme for this conference, 'Symphony in Psychiatry', allows us the liberty to choose an eclectic mixture of topics which are both novel and with a clinical utility for a practicing psychiatrist. Our scientific committee, headed by Dr. Abhishek Somani, has curated this basket very thoughtfully, with an effort to invite younger gems from our fraternity as speakers.

Dr. Vivek Kirpekar, our beloved past president as the chairperson, and Drs. Sushil Gawande and Abha Bang Soni, both mavericks in planning and organizing, as organizing secretaries, along with their team, are ensuring an impressive show. I am sure the delegates will leave this conference with lingering, cherishable memories.

Waiting eagerly to meet you all, warmly yours,

Dr. Sudhir Bhawe

President, PSWZ

Invitation

Dear Colleagues,

Greetings from the Organising Committee.

We are delighted to extend an invitation for the **56th Annual Conference of Psychiatric Society of Western Zone** at Nagpur from 10,11 and 12 October, 2025.

The theme of the conference, **“The Symphony in Psychiatry”**, nicely elaborates what we are offering. We have something for everyone, from psychotherapy to core biological topics. Our scientific committee headed by Dr. Abhishek Somani has intelligently chosen speakers, younger ones with new ideas and also the known ones with their wisdom.

We all are striving hard to make your time spent in the orange city worthwhile and memorable.

The organising committee is putting all possible efforts to make this event an academic enriching experience.

We eagerly anticipate your participation in this memorable event.

Dr. Vivek Kirpekar

About Nagpur

Nagpur city is the second capital of Maharashtra, a cultural mix of all known corners of India. For ages Nagpur has been popular for quality oranges and hence is called as the "Orange City" of India. Being at the country's centre, it is strategically located and is well connected by rail, road and air to all the major cities. The lush green surroundings in and around Nagpur gives it the status of being one of the green most cities in India & having many Tiger Sanctuaries.

Nagpur is proud of delivering health services to the people of central India with 5 Medical Colleges & hospitals, Multy-speciality Corporate Hospitals, Regional Cancer Hospital and other hospitals. In future it may be a hub in central India for Health care.
